

# Gale Virtual Reference Library

Part of Literature Resources from Gale

A Gale Virtual Reference Library search of a broad topic like “Harlem Renaissance” yields a wealth of content that includes full-text eBooks and images

By combining the convenience of an online search engine with the authority of our 50-year publishing legacy, *Gale Virtual Reference Library* lets you fill virtual shelves with acclaimed titles from Gale and a host of premier partners.

With reference eBooks from *Gale Virtual Reference Library*, you can help your library remain relevant by customizing your reference collection to your patrons’ changing needs — from class assignments and scholarly pursuits to career and business interests.

## Empower your users with the benefits of eBooks:

- Thousands of authoritative, full-text volumes
- Unlimited simultaneous use from any Internet-connected computer
- ReadSpeaker text-to-speech technology, MP3 downloadable
- On-demand translation into 11 languages
- Cross-searchable with select periodical databases and Gale resource centers
- Ability to print or e-mail articles, create and export article citations in multiple formats, and more

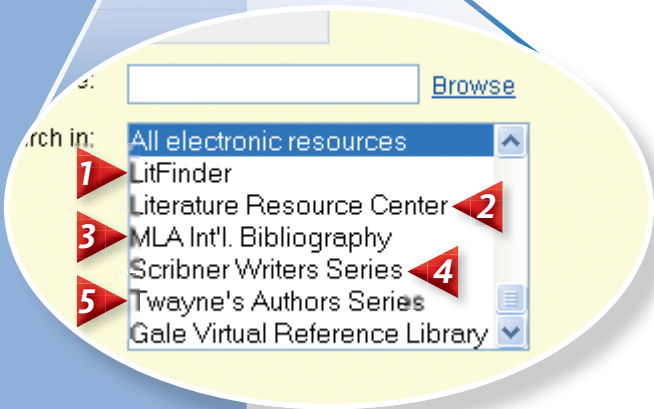

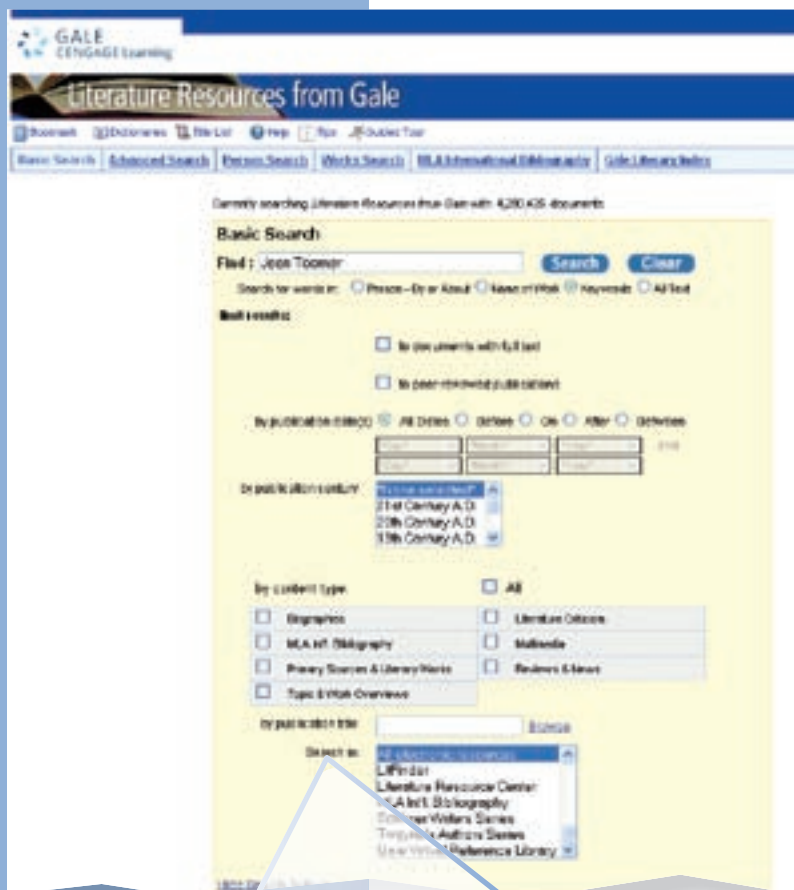

## Trustworthy content

The ever-growing collection in *Gale Virtual Reference Library* reflects the quality and consistency from publishers you trust:

- |                              |                      |
|------------------------------|----------------------|
| ■ Berkshire Publishing Group | ■ Salem Press        |
| ■ Cambridge University Press | ■ Schirmer Reference |
| ■ Columbia University Press  | ■ Scribner           |
| ■ Gale                       | ■ St. James Press    |
| ■ Greenwood                  | ■ Tradition Books    |
| ■ Grey House                 | ■ U•X•L              |
| ■ Idea Group                 | ■ Yorkin             |
| ■ K. G. Saur                 | ... and many more    |
| ■ Princeton University Press |                      |

*Gale Virtual Reference Library is available as a stand-alone selection. For more well-rounded results, cross-search it with other Literature Resources from Gale products. See opposite side for details.*

# Cross-search for success

*Gale Virtual Reference Library* is included in *Literature Resources from Gale*, a customizable selection of research products that helps you make the most of your investment and boost usage of your online collection.

By providing a one-stop, intuitive cross-searching environment for any combination of the proven products shown below, *Literature Resources from Gale* offers students, academics, researchers and general readers the accurate results they want and the ease of use they demand.

## Cross-search *Gale Virtual Reference Library* with ...

### 1 **LitFinder**

Gale's core repository of full-text literature, LitFinder spans history and geography to deliver more than 145,000 poems, short stories, essays, speeches and plays representing the work of more than 80,000 authors and 660 nationalities.

### 2 **Literature Resource Center**

The world's most current, comprehensive and reliable online literature database offers access to more than 650,000 full-text articles, critical essays and reviews, and biographies of more than 130,000 authors from antiquity to today.

### 3 **MLA International Bibliography**

For sheer depth and scope of bibliographic data, there is no equal! More than 2 million citations cover more than 80 years of publishing, with an additional 66,000 new citations added each year.

### 4 **Scribner Writers Series**

This series is designed to work the way students conduct literary research — going directly to an entry on a specific author, combining search criteria, or exploring thematic and chronological topics to make connections among writers.

### 5 **Twayne's Authors Series**

With in-depth introductions to the lives and works of writers, the history and influence of literary movements and to the development of literary genres, Twayne's is an ideal starting point for research on literary works and figures.
