

Literature Resource Center

Part of Literature Resources from Gale

The world's most current, comprehensive and reliable online literature database, *Literature Resource Center* is uniquely relevant to today's researcher. Its rich critical, biographical and contextual content supports interdisciplinary approaches, information literacy and the development of critical-thinking skills.

Researchers at all levels will find the information they need on authors and their works in all genres and disciplines, from all time periods and from around the world.

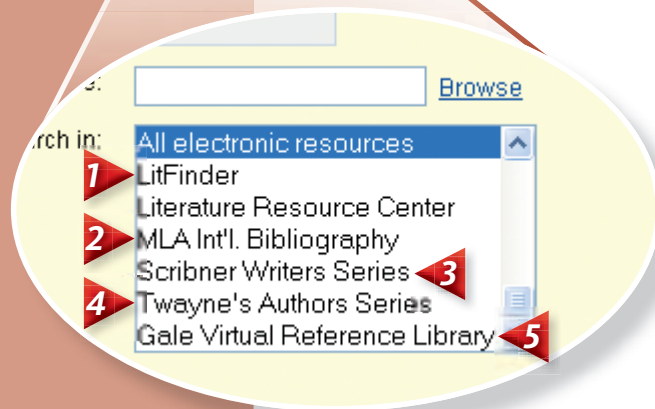

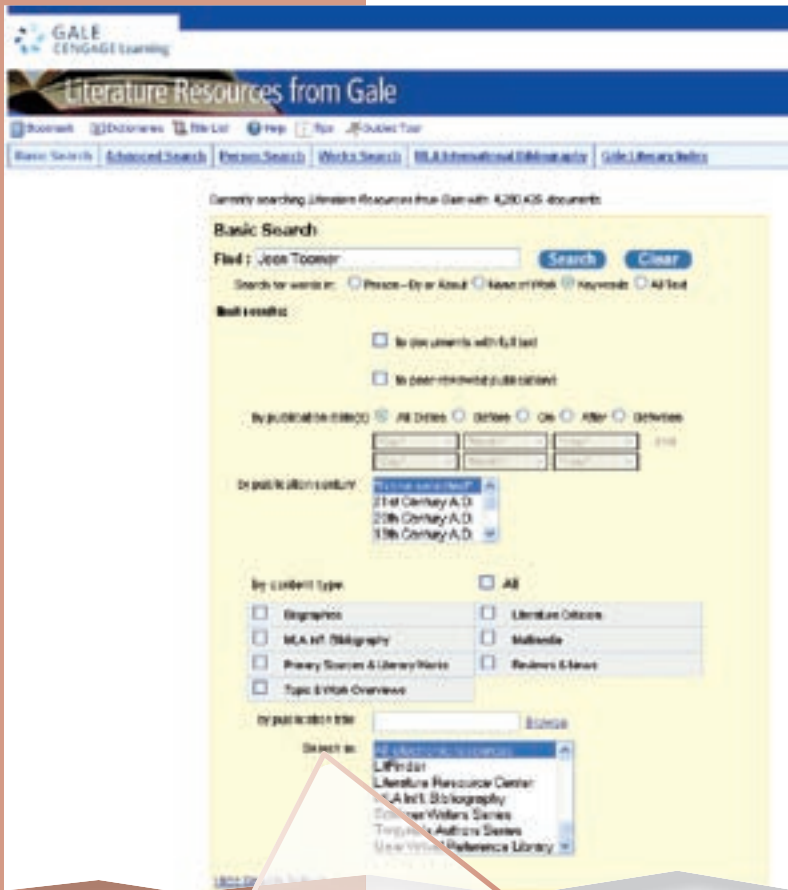

Find quick access to:

- More than 145,000 complete entries from two award-winning series — *Contemporary Authors* and *Dictionary of Literary Biography* — for in-depth biographical, bibliographical and contextual information on authors' lives and works
- More than 70,000 selected full-text critical essays and reviews from proprietary Gale titles including *Contemporary Literary Criticism*, *Classical and Medieval Literature Criticism*, *Literature Criticism from 1400-1800*, *Nineteenth-Century Literature Criticism*, *Twentieth-Century Literature Criticism*, *Drama Criticism*, *Poetry Criticism*, *Shakespearean Criticism*, *Short Story Criticism* and *Children's Literature Review*
- More than 850,000 full-text articles, critical essays and reviews from more than 360 scholarly journals and literary magazines
- More than 7,000 overviews of frequently studied works, from sources including Gale's *For Students* series, *Literature and Its Times* and *Characters in 20th-Century Fiction*
- Nearly 30,000 full-text contemporary poems, short stories and plays
- More than 8,000 interviews
- Nearly 5,000 links to selected Web sites and more than 2,800 author portraits

Literature Resource Center is available as a stand-alone selection. For more well-rounded results, cross-search it with other Literature Resources from Gale products. See opposite side for details.

Articles by and about writers and their works — from the legendary to the lesser-known — are easily identified and accessed in Literature Resource Center.

Cross-search for success

Literature Resource Center is included in *Literature Resources from Gale*, a customizable selection of research products that helps you make the most of your investment and boost usage of your online collection.

By providing a one-stop, intuitive cross-searching environment for any combination of the proven products shown below, *Literature Resources from Gale* offers students, academics, researchers and general readers the accurate results they want and the ease of use they demand.

Cross-search *Literature Resource Center* with ...

1 LitFinder

Gale's core repository of full-text literature, LitFinder spans history and geography to deliver more than 145,000 poems, short stories, essays, speeches and plays representing the work of more than 80,000 authors and 660 nationalities.

2 *MLA International Bibliography*

For sheer depth and scope of bibliographic data, there is no equal! More than 2 million citations cover more than 80 years of publishing, with an additional 66,000 new citations added each year.

3 *Scribner Writers Series*

This series is designed to work the way students conduct literary research — going directly to an entry on a specific author, combining search criteria, or exploring thematic and chronological topics to make connections among writers.

4 *Twayne's Authors Series*

With in-depth introductions to the lives and works of writers, the history and influence of literary movements and to the development of literary genres, Twayne's is an ideal starting point for research on literary works and figures.

5 *Gale Virtual Reference Library*

By combining the convenience of an online search engine with the authority of our 50-year publishing legacy, *Gale Virtual Reference Library* lets you fill virtual shelves with acclaimed literature eBooks from Gale and a host of premier partners.
