

# GALE STUDENT RESOURCES IN CONTEXT™

In-depth, authoritative content presented the way students want it

Designed to support the student completing an assignment, the instructor crafting a course outline and the librarian promoting information literacy, Gale *In Context* knowledge portals represent a new, exciting online experience.

This family of resources engages and motivates users while promoting true collaboration between faculty, students and librarians. Only Gale *In Context* combines authoritative full-text reference from Gale and its premier partners with highly relevant, dynamically updated multimedia content. Sophisticated design and functionality help students move beyond information retrieval to discover, evaluate and apply information using 21st century skills.

## ► Scope and depth

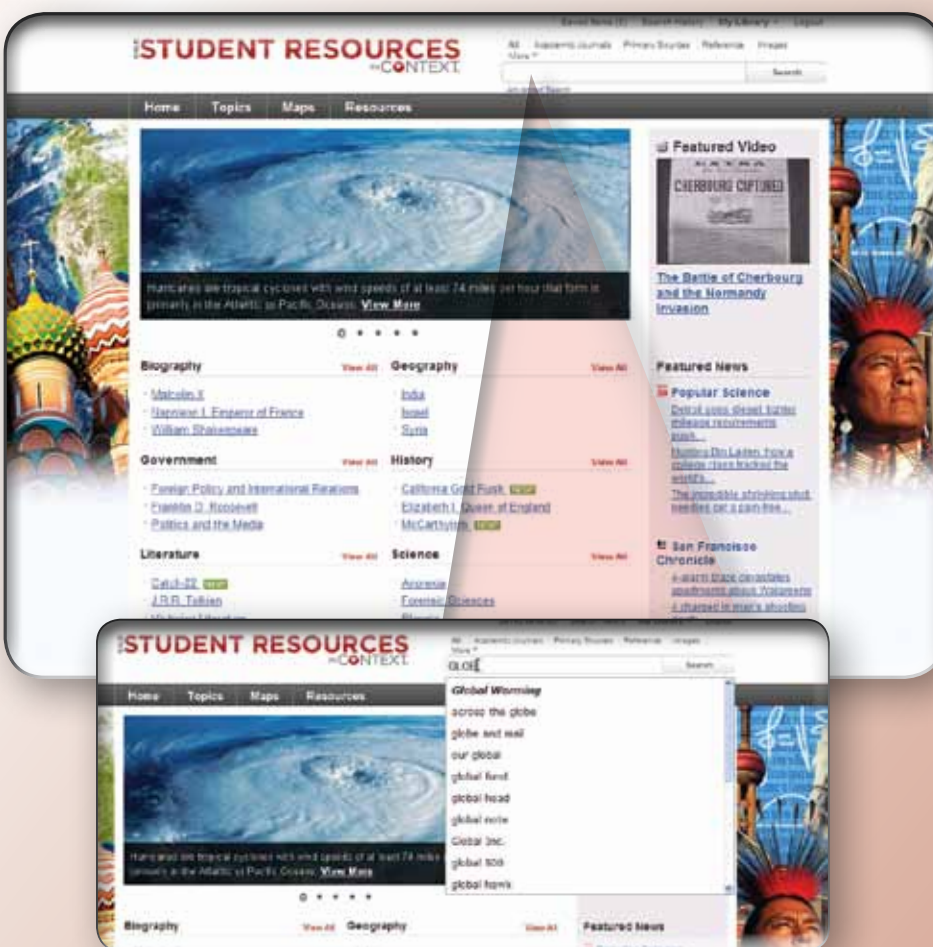

Cross-disciplinary coverage and an ever-growing collection of premium content promotes student success across all academic disciplines, while functionality gives an edge to students, faculty and librarians working in a project-based learning environment.

## ► Acclaimed reference includes:

- *American Decades*
- *Gale Encyclopedia of U.S. Economic History*
- *World Religions Reference Library*
- *History Behind the Headlines*

## ► Integrated multimedia includes:

- Thousands of video and audio selections, from archival newsreels to NPR, NBC and PBS
- Newspapers, journals and periodicals: *The New York Times*, *American Scholar*, *The Economist* and hundreds more
- Topic-searchable image galleries

## ► Spotlight feature: Search Assist

Gale *In Context* resources take into account misspellings and keyboard errors with “Did You Mean?” functionality. It’s part of the sophisticated Search Assist, which brings up the most common search terms and topics based on just a few input letters.

### ► Premier portals support scholarly needs

Gale *In Context* is the result of user input and a study of research processes. Our findings revealed that students prefer resources that combine web-like functionality with high-quality information. To help students streamline their efforts and identify the most relevant content, we created eye-catching, engaging portals that seamlessly integrate authoritative full-text reference from Gale and its partners with media-rich, curriculum-aligned content that spans core subjects and 21st century themes.

#### Gale *In Context* resources:

- Engage and motivate learners with a web-like experience that promotes information discovery
- Facilitate collaboration among librarians, students and faculty in fostering skills like critical thinking and information literacy
- Deliver helpful topic pages and enhanced search results to streamline the research process

### ► Technology enhances the discovery experience

Gale *In Context* knowledge portals deliver authoritative content complemented by intuitive features:

- Content organized by type (primary source, reference, multimedia and more)
- RSS feeds automatically deliver information to students
- Factboxes provide a quick overview of biographical highlights
- Related Topics and websites aid discovery of other relevant content
- On-demand text translation into 9 languages accommodates diverse populations
- ReadSpeaker text-to-speech technology supports differentiated learning and those with impaired vision
- MLA7 and APA6 citation tools facilitate understanding of proper use of copyrighted material
- Search Assist (with “Did You Mean?” functionality) efficiently guides users to desired results
- Tools to download, print, email and share online encourage collaboration
- Topic Overviews give accurate context to each subject

#### Topical editions include:

- **Biography**
- **Canada**
- **Global Issues**
- **Opposing Viewpoints**
- **Science**
- **Student Resources**
- **U.S. History**
- **World History**

Topic pages provide authoritative overviews and act as gateways to content from reliable sources.
